Associate Attorney Position

Our litigation firm in downtown San Francisco seeks an associate attorney, beginning either immediately or this Fall. We view ourselves as a “private public-interest” boutique law firm, and although we are general litigators, we have three main practice areas: 1) representing employees in class actions; 2) representing individual employees in discrimination, harassment, and similar claims; and 3) representing organizations and individuals in commercial disputes.

Our firm was founded four years ago. We strive to practice law at the highest level for our clients, and we bring a strong social justice commitment to our work. Lawyers at our firm learn to handle all aspects of the firm’s practice in an environment of collegiality and mentorship. Whoever joins us will help shape the culture and direction of the firm, and will have opportunities to be rewarded for entrepreneurial efforts.

Our recruiting is focused on attorneys who are (or will soon be) new law school graduates or who are in their first several years of practice, but we also encourage lawyers with more experience to reach out. Please contact Bill Jhaveri-Weeks to inquire: wjw@jhaveriweeks.com. Cover letters, résumés, and transcripts are welcome but not required for an initial discussion. Judicial clerkship experience is highly valued. We seek to build a diverse firm. The position will remain open until filled. More about our firm is available at www.jhaveriweeks.com.
